Buol, Pemerintah Desa (Pemdes) Baruga meraih penghargaan sebagai terbaik se- Kecamatan Karamat atas kinerja dalam pelaksanaan Aksi Konvergensi Upaya percepatan Penurunan Stunting Terintegrasi Tahun 2020.

Kepala Desa (Kades) Baruga Irwan A Aluy menegaskan, melalui program-program inovatif dan kolaboratif, Pemerintah Desa Baruga, Kecamatan Karamat, Kabupaten Buol, Provinsi Sulawesi Tengah, berhasil memberikan perhatian yang serius dalam menangani masalah stunting.

Pihaknya berupaya menggandeng berbagai pihak, termasuk tokoh masyarakat, lembaga kesehatan, dan komunitas setempat untuk bekerja sama dalam upaya

prevention and stunting management.

"Success in stunting management does not depend on the role and active participation of the local community. Community awareness in maintaining healthy eating patterns and environmental cleanliness also plays an important role in reducing stunting in this village," said Irwan Selasa (13/06/2023)

Irwan appreciates the support of all parties in the reduction of stunting in Baruga Village. He hopes that stunting prevention efforts do not stop there, along with the recognition of appreciation. Appreciation must become a motivation for all parties to jointly emphasize the stunting case in Baruga Village.

"This is part of the success together, to be a source of inspiration for the future in programming stunting prevention efforts," said Kades Baruga
